

2022 Virginia Summer Residential Governor's School (SRGS)

The Virginia Department of Education (VDOE) offers the opportunity for 10th and 11th grade students to apply to attend summer residential Governor's schools in academics and Visual and Performing Arts (VPA). Students who are accepted into one of the programs will live in residence halls in one of the state colleges in VA for four weeks in the June - late July timeframe. To learn more about SRGS opportunities and the application process, visit the VDOE [website](#) and view the promotional [video](#).

To be considered for an academic or VPA Governor's school, students must complete the steps below.

- (1) **Complete the interest form** linked below for either Academics or VPA. The form is a required part of the application process and is due November 9. No late entries will be accepted. When completing the form, enter a **personal email address** and do NOT use an fcpschools.net email address. VDOE cannot send communications to the fcpschools.net domain.
