MS COUNSELOR:	_____

Dear New Lancer Student and Parent/Guardian,
 Welcome to high school! What an exciting time for you!

Below are the course options at LHS for the 2023-2024 academic year. You will work with your school counselor to be sure your selections satisfy your interests, academic needs, and graduation requirements. School staffing decisions are based on the course selections you make in the spring; some courses may be cancelled due to low student enrollment. Select 7 courses below (generally, one English, one Science, one Math, one Social Studies, HPE 9, and two electives) and turn in your signed/completed form to your school counselor. Selecting 3 alternative electives (in order of importance) is required so we can create the best possible schedule for you if your first choices are not available. Please note:

- ◆ **Prior to May 2023**, requests for changes will be honored if space in class permits.
- ◆ **After May 2023**, schedule changes will be made only to resolve conflicts, to accommodate credit requirements, and/or because student has failed to meet prerequisite(s).

If you have any questions or concerns, please call your child's current 8th grade counselor, or give us a call at the high school. We look forward to working with you!

-The John R. Lewis High School Student Services Department
