ALTERNATIVE CHOICES:

Indicate at least two year-long courses or 4 semester courses (or a combination). If there is a conflict in your schedule, the alternative course(s) will replace your first choice elective(s):

*****IMPORTANT INFORMATION ABOUT YOUR SCHEDULE:**

Student schedules are final for next year, once a student has registered for their classes. Students should be sure of their course requests so that they can be successful next year. Next year, if you run into difficulty in any of your classes, your teachers are available to work with you after school or during Advisory. A schedule change request process will be available but changing classes next fall is available on a limited basis. Please take the time you need this year to carefully consider next year's schedule.

To Student, Parent/Guardian:

These are the courses that you have selected for the 2023-2024 school year. Please review selections to be sure they satisfy graduation requirements, academic, and career needs. School staffing decisions are based on the course selections students make in the spring. Please note:

- ◆ Parent/guardian signs form; student returns it to counselor.
- ◆ **Prior to May 2023**, requests for changes will be honored if space in class permits.
- ◆ **After May 2023**, schedule changes will be made only to resolve conflicts, to accommodate credit requirements, and/or because student has failed to meet prerequisite(s).
- ◆ This selection process is final; no other changes will be made.
- ◆ **Courses will be offered next year ONLY if there is sufficient enrollment, based on the Fairfax County Public School guidelines.**

If you have any questions or concerns, please call your child's counselor.
