Required IB core elective for all diploma candidates: **IB Theory of Knowledge** taken in grades 11 and 12 by semester classes

BOLD signifies weighted grades of 1.0; Honors courses receive an extra .5
 *Students enrolling for the first time in a World Language (excluding Fluent Speakers Spanish) in 9th grade can still obtain the IB diploma and complete the WL requirement. Spanish Fluent Speakers **MUST** start in 8th grade if a student will pursue the Bi-lingual IB Diploma track.
 ** 20th Century Topics is the second year of the two-year IB History HL course. IB Geography SL is a separate course and cannot be substituted for Topics as the second year of the IB History HL course. IB Geography SL can only be substituted for a World History class.
 *** HL courses require the first year IB course as a prerequisite.
 ###Indicates co-requisite requirement of an advanced performance class or successful audition.

Some Possible Science Pathways (Group IV) for the IB Diploma

Grade	IB Biology HL Option	IB Physics SL Option	IB Chemistry SL Option
9	Honors Biology	Honors Biology	Honors Biology
10	Advanced Chemistry I for IB schools	Advanced Chemistry I for IB schools	Advanced Chemistry I for IB schools
11	IB Biology HL I (please see 3 rd bullet)	IB Physics SL I	IB Chemistry SL II
12	IB Biology HL II	IB Physics SL II	A fourth year of science in a third discipline

Grade	IB Environ Sys & Soc (IB ESS) SL Option
9	Honors Biology
10	Advanced Chemistry I for IB schools
11	IB ESS SL or IB Physics SL I (## see below)
12	IB ESS SL or a fourth year of science

11th & 12th grade classes can be interchanged
for this IB ESS Option

- **BOLD** signifies weighted grades of 1.0; Honors courses receive an extra .5
- Advanced Chemistry I for IB schools previously called IB Chemistry I
- FCPS graduation requirements stipulate three sciences from three different disciplines. If a diploma candidate is doing IB Bio HL I and HL II, they are exempt from this stipulation. BUT if they drop their IB Diploma candidacy, they will need to take a third science discipline.

Students interested to be IB Diploma Candidates please contact Mr. Mar Acevedo at MSAcevedo@fcps.edu or in room 39 in the main office
