- View elective flip grids
- Talk with counselors, peers and PARENTS!!
- Course Catalog, course descriptions (Lewis website)
- Current Grades
- You are signing up for a course, not a teacher
- Dual enrollment for rising 11th and 12th graders

MOVING ON TO HIGHER HEIGHTS!

Benefits:

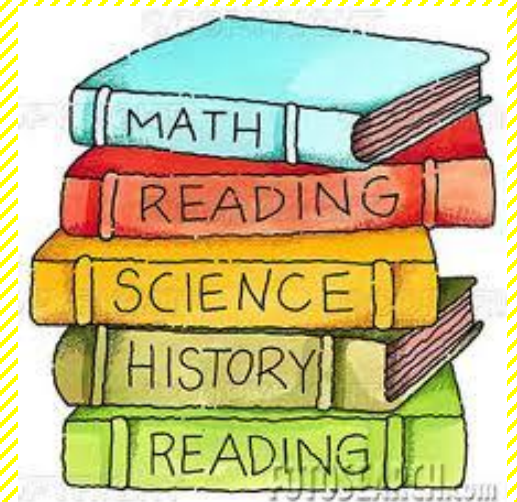

- Preparing for post-secondary opportunities
- Challenging yourself from the expectation or the norm
- Grade point boost
- Being more competitive for college

- Enrollment in an honors/IB course satisfies the CTE credential req.
(e.g., Honors Economics and Personal Finance)
